

TICKENHAM “TIGERS”

Mission Statement / Philosophy

- Tickenham Golf Club is designed to develop the future of golf in our area.
- We believe that starting at an early age gives every child the opportunity to reach their potential.
- We believe that children learn quicker when they are having fun. Our junior programmes have been developed with that in mind.
- All golfers are encouraged at Tickenham. Students are rewarded for attitude as well as ability.
- Children are set achievable goals and targets. We hope that this will give your child confidence both on and off the golf course.
- At Tickenham your child will gain skills that they will use for the rest of their lives.
- We want your child to see that golf is fun, but also to understand the disciplines and respect that is the long standing tradition of the game.

Incentive and Opportunity for Young Golfers
