

Golf Course

This is the Region's Best 9 Hole Golf Club and is renowned for its hospitality and friendliness.

Tickenham is a true golfers centre with a 9 hole course, floodlit driving range, practice green, bunker, pitching greens, club house, fully stocked Proshop & splendid views.

The course is architecturally designed to USGA standards with properly constructed full size greens. The longest hole is 383 yards.

All the surfaces to which you are hitting are visible. The subtle contouring of greens and surrounds, fairly challenges even experienced players.

Using the course

Everybody is welcome to come and play the course.

Please ask any of our staff for guidance if you are unsure about the Rules of Golf or course etiquette.

All players must have their own bag of clubs. This is a worldwide requirement to help avoid slow play.

Please book your tee times to ensure you may play when you want.

Preferred Clothing

We prefer golf clothing, but we are not going to stop you wearing what you feel comfortable in - within reason.

Shirts must be worn. Torn and dirty clothing is not permitted. Footwear must not damage greens. Golf shoes or trainers are suitable.

We have your very best interests at heart. After we have sold you something, we have to look you in the eyes every time you practice or play.

Firstly

Don't buy any equipment before you have lessons. Get advice from qualified professionals before you spend your hard earned money.

There is poor quality product on the market that we see people talked into buying - especially Alloy Irons. You do not have to spend a lot of money to start playing, but you should get value for money.

Ask our qualified staff for free advice!

We are not all the same size or strength. We will only sell you clubs after you have tried them and they suit you. Ask to try suitable demo clubs.

Internet

You can't get advice from a professional watching you hit shots from the internet. You can't get a custom fitting, try clubs or send them back to the internet.
